

NORTH TAHOE HEBREW CONGREGATION SISTERHOOD

Membership 2010/2011

The Sisterhood of NTHC greatly appreciates your participation at temple and sisterhood events and the financial support you provide. We are able to enhance temple life in many ways for the general temple members and religious school children because of your generosity. We are also able to help serve the community, deepen our Jewish knowledge, and enjoy each other's company in the many activities listed below.

Please select the level of Sisterhood Membership that best suits your ability to give. And please select which activities suit **you**.
